

## **“This is the day the Lord has made; let us be glad and rejoice in it”**

Good Shepherd Catholic Radio is proud to announce, that we have received the long awaited approval of the Federal Communication Commission, granting the assignment of 1510 a.m. and 93.3 f.m., from Spring Arbor University, to Good Shepherd Catholic Radio.

It has been a very long wait, nearly four years to the day, from the very first meeting that was held to discuss the formation of an apostolate, to bring Catholic radio to this area. Although it has been, what seems to be a long wait, it has also been a period of time filled with many special moments, and many special gifts from God. Each of those moments and each of those gifts, would never have been experienced had it not been for this period of time.

Our attorney and Spring Arbor University’s attorney, both of whom are based in Washington D.C., will be preparing the required closing documents that will be signed by representatives of Spring Arbor University and Good Shepherd Catholic Radio. Until those steps are more clearly defined, we are unable to provide an estimated on air date.

We thank all of you who have supported Good Shepherd Catholic Radio by your prayers and financial support. Please remember that each of you has a standing invitation to visit our studio for a tour and a first hand look at our progress.
